

DAMOND RAMSEY

DJ Damond Ramsey, born in Baltimore, MD., has been a mobile and club DJ since the early 80's. He has been influenced by legendary DJs such as Thommy Davis, Wayne Davis, Teddy Douglas, Dj Spen and Kenneth Johnston just to name a few. Damond now works with Quantize Recordings under the mentoring of DJ Spen and Thommy Davis. Damond also has releases on Nervous Records, Code Red, Africanism and now Cyberjamz Recordings. You can hear Damond every Saturday 3-5pm on handzonradio.fm. "I do this for the love." Damond has started a party titled "The Art of

House" which incorporates the diversity of the house music scene. Damond has partnered with friend Sahib Muhammed to work on future projects.
